

## INDEPENDENT TESTING LABORATORIES

Legend:

**AN = analytical**

**EN = environmental (air, water quality)**

**FA = fabric**

**FI = fiber**

**GA = garments and products**

**MI = microscopy**

**NW = nonwovens**

**YN = yarn**

**\*Has International laboratory locations**

To assist your company, Cotton Incorporated has compiled this list of potential suppliers. This list represents companies that Cotton Incorporated understands to be reputable; however, this list is not exhaustive and there may be additional suppliers with the necessary capabilities. Cotton Incorporated cannot guarantee that each company has the ability or willingness to deliver a particular product or service. Although we make every attempt to keep this list up to date, there may be cases where a company's capabilities or status may have changed.

Cotton Incorporated is providing this list as a courtesy, but makes no warranty or representation, either expressed or implied, with respect to the suppliers contained herein. Likewise, no statement contained herein shall be construed as a recommendation to use a specific supplier and Cotton Incorporated assumes no responsibility for any negligence on the part of any supplier included in this list.
